# SHRESTH GUPTA

Daejeon, South Korea | linkedin.com/in/shresth-gupta-5173202a1 | github.com/WiseShrestha

## EDUCATION

**KAIST — Korea Advanced Institute of Science and Technology** | *Daejeon, South Korea | 2026–2030*

- Computer Science undergraduate and full-ride scholar. Current coursework: Calculus I, General Physics I, Introduction to Programming, Introduction to Modern Software Development, Production Management, and Macroeconomics.

**Delhi Public School Siddharth Vihar** | *Ghaziabad, India*

- CBSE Class X: 98%; Class XII: 95%. AP Scholar with Distinction; AP scores: Calculus AB (5), Microeconomics (5), Chemistry (4), Physics 1 (4), Macroeconomics (4). IELTS Academic: 8.0.

## TECHNICAL PROJECTS

**MNIST Handwritten-Digit Recognition** | *Project Clay | Mar 2025 | Python, CNN*

- Built a handwritten-digit recognition project with the MNIST dataset under the guidance of Smit Patel (Carnegie Mellon University), exploring convolutional neural networks and image classification.

**IPL Data Analysis** | *Python, Pandas, Matplotlib*

- Created a data-analysis project to explore IPL data, organize datasets, and visualize patterns using Python's data-analysis and plotting libraries.

**CORA — Regeneration Begins on Your Street** | *Jun–Aug 2025 | Sustainability project*

- Contributed to a community-centered circular-economy concept addressing food, electronic, and sanitary waste through clean fuel, compost, upcycled products, green jobs, and local impact tracking.

**AI-Based Personal Branding Tools** | *Scaler School of Technology | Dec 2024–May 2025*

- Young Innovator Intern; explored AI-powered tools, neural networks, prompt engineering, and product design with industry mentorship.

**8-Bit Website** | *Jun–Dec 2021 | Web development*

- Developed an early web project, building foundational experience in website creation and digital design.

## FINANCE, RESEARCH & LEADERSHIP

**Investment Analyst** | *Brooklyn Youth Charitable Investment Group | Apr 2025–Present*

- Reviewed equity proposals and startup portfolios, contributing financial-analysis and impact-investment perspectives to investment recommendations.

**Student Researcher** | *Indo-Pacific Studies Center | Apr–Aug 2025*

- Supported policy research at the intersection of technology, economics, and diplomacy, including analysis and visualization of regional trade patterns; contributed to research on India's digital economic policy framework.

**Student Researcher** | *New York Academy of Sciences | 2024–Present*

- Collaborated on SDG-focused research addressing marine and land pollution; used community research and data visualization to develop sustainability proposals, including work on sustainable food systems and biodiversity.

**Digital Media & Chapter Leadership** | *Tale of Humankind | 2020–Present*

- Former Chief Growth Officer/team member; supported digital outreach, web development, graphic design, marketing, and event organization. Part of the organizing team for Metamorphosis 2026 in collaboration with IIT Delhi's Academic Outreach & New Initiatives.

**Creative & Chapter Leadership** | *Dublieu; Project Surya | 2024–Present*

- Head of Video Editing at Dublieu and Executive Chapter Head/Graphic Designer at Project Surya; experience across video production, visual communication, volunteer coordination, recruitment, and chapter activities.

**Research Publication** | *IJEDR | Oct 2024*

- Sole-author publication: “Enhancing Access And Communication: The Impact Of Chatbots On Underserved Communities,” International Journal of Engineering Development and Research, Vol. 12, Issue 4.

## SELECTED AWARDS

**Mathematics, Science & Cybersecurity**

- Country Rank 1 and Global Rank 3 — American Mathematics Olympiad (2024); Gold — Fermat Mathematical Olympiad (2025), National Junior Cybersecurity Olympiad (2025), and International Mathematics Olympiad Competition of Southeast Asia (2025); Diamond — Asiarope Science Olympiad (2025); Gold — National Astronomy and Science Olympiad Levels 1 & 2; Silver — Asiarope Mathematics Olympiad (2025); Bronze — Singapore and Asian Schools Math Olympiad and Singapore Math Global Finals (2025).

**Additional recognition**

- Top 1,000 finalist — Youth Ideathon (2023, 2024); State Rank 6 — National Astronomy and Science Olympiad (2024); IT Head — India MUN (2024).

## SKILLS & INTERESTS

**Technical**

- Python, Java, SQL, HTML/CSS; Pandas, Matplotlib, Jupyter Notebook, Git/GitHub. C++: currently learning.

**Focus areas**

- Algorithms, mathematical problem-solving, machine learning, data analysis, quantitative finance, technology policy, and sustainability.
